As both Central and State Government have authorization over fixing the wages, the State Governments fix their own scheduled employments and further release the rates of Minimum Wage along with the VDA (Variable Dearness Allowance). The wage rates in scheduled employments differ across states, sectors, skills, regions and occupations owing to a lot of differentiating factors. Hence, there is no single uniform minimum wage rate across the country and the revision cycle differs for each state. However, Minimum wages are paid and adhered to by the Company as per the Minimum Wages Act, 1948.
