SHANKARA BUILDPRO SURPASSES FY26 VOLUME TARGET OF 1 MILLION TONNES, DELIVERS 32% YOY GROWTH

Bengaluru, India, April 3, 2026: Shankara Buildpro Limited, one of India's leading pure-play building materials marketplace, today announced that it has exceeded its FY26 volume target of 1 million tonnes (10 lakh tonnes), delivering total volumes of 10.2 lakh tonnes for the financial year ended March 31, 2026. This compares to 7.7 lakh tonnes in FY25, representing a year-on-year growth of 32%.

The performance marks a significant operational milestone for the Company, underscoring the effectiveness of its marketplace strategy, portfolio expansion, and deepening distribution across new geographies. The result also validates the Company's stated ambition of crossing the 1 million tonne threshold within FY26, a target that was met and surpassed ahead of expectations.

Commenting on the performance, Mr. Sukumar Srinivas, Managing Director, Shankara Buildpro Limited, said:

"Crossing the coveted 1 million tonne mark in FY26 is a milestone we set for ourselves and are proud to have delivered it, and then some more. Our volumetric growth is a validation of our execution capability and the strength of our marketplace and distribution franchise. Growth was healthy across all our key categories, including Pipes & Tubes, Flats, and Roofing products, which gives us confidence that the momentum is strong. We enter FY27 with a strong foundation and clear intent to build on what has been a defining year for Shankara Buildpro."

About Shankara Buildpro Limited

Shankara Buildpro is one of India's leading building materials marketplaces, providing a comprehensive one-stop solution for all kinds of building materials & construction needs. Buildpro is also India's largest steel tube & pipe distributor and retailer. With a robust physical presence of 130 operational stores and fulfillment centers and a retail footprint of 5.3+ lakh sq.ft., Buildpro caters to tens of thousands of customers across various segments.
